

# OWNERS VOICE

Romford Stadium

## General Update

Having had a very stormy time in February, with Storm Eunice causing havoc to most of the country, and here at Romford we were forced to abandon two meetings for safety, we now move in to March. The big highlight of this month will be the Coral Golden Sprint. The 400m Category One competition will see some of the best sprinters and 4 bend dogs at the track. An A3/A4 Kennel Sweepstake will also be starting on Saturday 5th March.

In February we welcomed Marlene Westwood with her first set of runners debuting at the track on the 22nd February and also had her first winner on the day with Listons Wish.

We wish her all the best at Romford.

## What's on in March?

We kicked off our Cat 1 Golden Sprint competition with our heats last Friday - 4th March, and what a night it was! We're looking forward to the semi-finals on 11th March and the big finale on Friday 18th March!

We have availability in our Pavilion restaurants this coming Friday -11th March and for our Golden Sprint final Friday 18th, please be reminded that Owners receive a 25% discount on food in both of our restaurants on Fridays and Saturdays!

Feeling lucky? We're celebrating St Patricks day weekend 18th and 19th March! A free Guinness hat with every jug of Guinness bought (while stocks last)!

We're also appreciating Mums for Mothers Day weekend 25th and 26th March! If you fancy treating Mum to a meal and exciting night of races in our Pavilion restaurant, all Mums receive a glass of prosecco on arrival!
