General Update

TABLE OF CONTENTS

April is usually a quiet month in the racing office with regards open racing at the track, we don't have any major competitions on.

GENERAL UPDATE

We have just completed the Coral Golden Sprint in March and well done to the connections of Rail Mccoy and the winning trainer Mark Wallis.

OWNERS COMPETITION

One event we will be looking forward to this month is the Entain Track Championship at Crayford on Saturday 16th April. The races are over a variety of distances and have various stipulations. We were runners up last year at Hove and will look to go one better this year. Hopefully a few owners will be able to support us at Crayford.

DOG AND BITCH OF THE MONTH

MARCH HAT TRICKS

Congratulations to our trainer Paul Young and the Bubbly Club whose Bubbly Apache won the Racing Post Juvenile at Towcester on Sunday 3rd April. Bubbly Apache ran a blinder and will now be aimed at the Greyhound Derby there. The 30th April will see David Mullins compete in the ARC/Entrain Trainers Judgement night at Monmore and we wish him all the best.

March also saw us reintroduce all trophy nights on the last Saturday of each month. All trainers are being asked to supply a title for their corresponding race so if have you some news or something to shout about please speak to your trainer and pass on a race title.
