CHAMPION STAKES WRAP UP

Hollow Man

Trained by Derek Knight (Hove)

Champion Stakes Final Night saw 'Hollow Man' (pictured above) crowned as our winner for 2023.

He won all 3 rounds of the competition & even broke our track record over 575m in the heats with a staggering time of 34.54!

Only a June 21 boy, he has now won 10 of his 11 races & is looking to have a very bright future ahead of him.

PUPPY CUP WRAP UP

Romeo Crusade

Trained by David Mullins (Rom)

Well that makes it 4 years on the trot for our very own David Mullins, will he go for the 5th next year?

Romeo Crusade was the 20/1 shot who took the lead at the 1st bend to win nicely with litter-mate Romeo Cypher not far behind finishing 3rd. They are only Feb-22 boys – still not even 2 – and Crusade's 1st ever win was the Category 1 Competition – The Coral Romford Puppy Cup, what an achievement!

New Track Record 575m

During the heats of our Category 1 Champion Stakes Competition, we saw Hollow Man break our track record – previously held by Warzone Tom from the same competition the year before in a staggering time of 34.55, Hollow Man topped this time by one spot and now holds the Romford Greyhound Stadium Track Record over 575m in a time of 34.54, impressive!

Also to mention, he was unbeaten throughout the whole competition! He is only a Jun-21 whelp and has now won 10 of his 11 races in England!

MITCH MILLWARD MARATHON

Teds Dexter

Trained by Nathan Hunt (Rom)

The Mitch Millward Memorial Marathon is a competition we hold dear to our heart here at Romford in remembrance of a beloved owner and supporter of the stadium, Mitch Millward.

This year's competition saw Teds Dexter, trained by Nathan Hunt, pace to victory over the 750m trip with Bubbly Inferno (who you can read more about below!) back in 2nd.

Anthony Haley Memorial Night

Zoom

Trained by Maxine Locke (Rom)

In memory of Anthony Haley, a dear friend of the stadium and owner here at Romford, an A1 sweepstake was held with his own dog 'Hot Sauce Dude' trained by Gemma Evans running. It wasn't meant to be for Dude in the final as 'Zoom' trained by Maxine Locke strode to glory, but the night was enjoyed by Anthony's family and friends who hired out the Pavilion and remembered Anthony with the rest of us at the track.

Anthony with 'Hot Sauce Dude' after a victory!

RIP Anthony Haley – Loved & Remembered by all.

MATCH RACE

Ballymac Taylor

Trained by Mark Wallis (SuffD)

The Match Race between Bubbly Inferno trained by our very own Paul Young and Ballymac Taylor trained by Mark Wallis at Suffolk Downs was the talk of the town throughout the month of October. The bookies favoured Ballymac Taylor and ultimately she came out on top but that's not to say Bubbly Inferno didn't put up a great hustle! She stayed handy throughout the entire marathon (925m) and was only beaten 2 lengths by the 2/11 favourite.

Overall the race proved to be a great success and sparked an interest for match races again, who could be up next here at Romford?

GBGB OBS Event

Saturday 23rd December 2023

The GBGB Owners Bonus Series will be on Saturday 23rd December 2023, both AM and PM meetings. They will all be graded races with 24 graded races in total (AM and PM), as well as an extra £100 added to each race (£50 to the winner, and £10 to others). All races will be trophy races with a presentation included – Just like the photo to the left with the winning greyhound wearing our Owners Bonus Series jacket!
